

# Recruitment Privacy Notice

## I. INTRODUCTION AND SCOPE

This Privacy Notice provides information on the processing of personal data by Engineering Seismology Group Canada Inc. and Spectraseis Inc. (collectively referred to as 'Company' in this document). This Privacy Notice was last reviewed in August 2018 and may be changed over time. You are advised to check regularly for any changes.

Company, based at 20 Hyperion Court, Kingston, Ontario is the controller for the processing of all personal data of job candidates and future employees or temporary workers working under its supervision (such as trainees).

## II. FOR WHICH PURPOSE ARE WE PROCESSING YOUR PERSONAL DATA?

We will process your personal data for the purpose of (i) managing and administering recruitment processes and thereto related policies and practices within Company and (ii) to communicate with you with regard to your application. Please note that pre-employment screening may be part of the recruitment process.

## III. ON WHAT LAWFUL BASIS DO WE PROCESS PERSONAL DATA FOR THIS PURPOSE?

We will process your personal data on the basis of our legitimate interest in ensuring that Company can efficiently and effectively assess and select candidates. Pre-employment screening of potential recruits will be executed for security reasons or in relation to export controls, anti-bribery & corruption, ethics & compliance and any other legal or regulatory obligations to which we may be subject.

## IV. WHICH PERSONAL DATA DO WE PROCESS FOR THIS PURPOSE?

For this purpose, we process your contact details (name, title, telephone, email and home addresses), all information contained in your cover letter or CV/resume (such as your professional memberships, employment and education history), information you have shared on social media (such as LinkedIn), your correspondence with Company with regard to your application (including references). We may also process personal data necessary for assessing your credit standing, proof of work eligibility and any past unspent criminal convictions.

## V. HOW LONG DO WE RETAIN YOUR PERSONAL DATA?

We will retain your personal data for a period of one year after the relevant vacancy has been filled, unless you request us to retain your personal data for a longer period (for instance, to allow us to consider you for future vacancies). Where we hold your personal data for this longer period, we will only do so on the basis of your consent, which you may withdraw at any time and free of charge.

## VI. HOW IS YOUR PERSONAL DATA SECURED?

Company has taken adequate safeguards to ensure the confidentiality and security of your personal data. We have implemented appropriate technical, physical and organisational measures to protect your personal data against accidental or unlawful destruction or accidental loss, damage, alteration, unauthorised disclosure or access, and against all other forms of unlawful processing (including, but not limited to unnecessary collection) or further processing.

## VII. YOUR RIGHTS

You have a number of rights under applicable data protection law in respect of our processing of your personal data. These include:

- the right to request access to your personal data;
- the right to request rectification of any personal data that we hold;
